

February 2, 2023

Dear Arts & Culture Community Partner,

Cultural Coalition, a 501(c)3 charitable arts organization, is seeking silent auction and raffle item donations of goods, gift cards, or experiences for our upcoming annual fundraising event, **Volver**. This year's fundraiser will take place on Saturday, April 22, 2023 - Earth Day, featuring a special demonstration by Felicia Cocotzin Ruiz "Kitchen Curandera", live music, and local indigenous foods.

In its third year, this event provides an opportunity to "Remember who we are. Reconnect ourselves with nature, traditional foods, and the earth", while supporting Cultural Coalition's mission to provide community engagement through unique cultural programs dedicated to the education, promotion and development of indigenous artists in Arizona.

Cultural Coalition serves over 20,000 people throughout Arizona at its free festivals, after school programs, and community engagement programs. Donations to the Volver silent auction and raffle will help raise funds in support of keeping our cultural festivals and educational programs available to all by offering free arts and culture events and programs in public spaces.

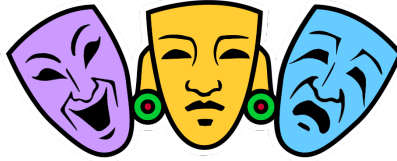

All Community Partners who donate an item for our silent auction and raffle will receive recognition on our event website, thanked in our e-newsletter to over 3,100 households, and mentioned on our social media accounts, reaching over 7,500 followers.

We appreciate having your support of this event, which in turn supports our local arts and culture community. If you have any questions about the event, or Cultural Coalition, please feel free to reach out to any of our Volver event committee members:
